CIL-5141-530-0	Ø 510 x 530mm	75 liters
CIL-5143-733-0	Ø 515 x 733mm	110 liters
CIL-6754-790-0	Ø 670 x 790mm	200 liters

##### Covers

CIL-428-D-0
CIL-534-D-0
CIL-525-DS-0

We hereby declare that the products described above, delivered by the Engels Group as from 2017, meet the requirements of

- Framework regulation EC/1935/2004 concerning materials and articles intended to come into contact with food
- Regulation EC 10/2011 concerning plastic materials and articles intended to come into contact with food

As well as the transition periods and changes of this guideline valid at the time of the distribution of this declaration (up to (EU) 2020/1245)

- Regulation EC/2023/2006 on good manufacturing practice for materials and articles intended to come into contact with food

Limits of global migration are respected when used under the following conditions :

in contact with all types of food  
between -20°C and 40°C  
including heating up to 70°C for 2 hours  
and up to 100°C for 15 minutes

Engels Group NV is parent of the following Engels companies:

**Engels Logistiek BV**  
Park Forum 1139  
NL-5657 HK Eindhoven  
The Netherlands

**Engels Logistics NV**  
Schemkensstraat 15  
B-3583 Beringen  
Belgium

The migration tests have been completed with the following simulants:

Category: A, B, D2 & E

Under the following conditions: OM1, OM2,

- Contact with frozen and chilled food
- Long-term storage at room temperature + short heating

Extra conditions:

- The products do not contain functional barriers.
- No restricted substances are used in the above-mentioned products.
- No Dual-Use additives are used.
- These products are suited for multiple-use purposes.

The material is tested (3 times) and succeeded for the application of multiple usage in a direct food contact environment. Important: the products need to be cleaned after each use.
